	Land Borders Open : <b>Yes/No</b>			
UGANDA	Int. Airports Open: <b>Yes</b>	<p>- All Travellers are required to have a COVID-19 PCR <a href="#">test taken within 72hrs of travel</a>. The 72hrs begins on the day the sample is collected for testing.</p> <p>- Covid certificates MUST indicate TRAVEL as the intended purpose of test.</p> <p>- We advise all travellers to complete the <a href="#">Test &amp; Fly document</a> before travel, ordering your PCR test at Entebbe International Airport in advance. <a href="#">CLICK HERE</a> to see procedural infographic.</p> <p>- Strongly recommended to apply for your visa before travel to Uganda. It is possible to obtain on arrival but some airlines will not permit you to board without it. Check with your airline.</p>	<p><b>ON ARRIVAL</b></p> <p>- Presentation of COVID-19 -ve certificate as outlined &amp; health screening.</p> <p><b>Category 1</b> No countries currently listed under Category 1.</p> <p><b>Category 2</b> India, United States of America (USA), United Kingdom (UK), United Arab Emirates (UAE), Turkey, South Africa, Ethiopia, Kenya, South Sudan and Tanzania. Arrivals from Category 2 countries (except children under 3yrs) who have not been fully vaccinated require a further PCR COVID-19 test upon arrival at their own cost (US\$65) <u>except</u> arrivals from India where they must all take a PCR COVID-19 test on arrival fully vaccinated or not. Those testing -ve can continue their journey as planned. Those testing +ve will be taken to a designated facility. Children under 18yrs testing +ve can undergo home quarantine. Results usually take 3-4 hours.</p> <p><b>Category 3</b> All other countries. Arrivals from Category 3 countries without symptoms do not need to take a PCR COVID-19 test.</p> <p><b>ON DEPARTURE</b></p> <p>- All travellers must have a <a href="#">COVID-19 PCR test taken within 72hrs of travel</a> (72hrs begins on the day the sample is collected for testing). Children &lt;3yrs exempt if travelling with -vely certified parents. You MUST indicate "Travel" as the purpose of the test.</p>	<p><a href="#">20<sup>th</sup> August Press Release</a></p> <p><a href="#">Uganda - Government of Uganda COVID-19 Response Information Hub</a></p> <p><a href="#">Ministry of Health Website</a></p> <p>Curfew: 19:00 – 05:30 (those travelling on flights during these hrs can travel to the airport upon presentation of a valid ticket).</p> <p>Local Travel restrictions in place. Excludes Tourism as long as they are UTB / AUTO registered.</p>

	Land Borders Open : <b>Yes/No</b>			
ZAMBIA	Int. Airports Open: <b>Yes</b>	<p>- All travellers must take a COVID-19 PCR test no more than 72 hrs prior to departure from your country of origin. <i>(it is expected that travellers may need to use the Trusted Travel platform to prove their negative test so it is advised to set up an account before leaving for Zambia.)</i></p> <p>- All passengers must fill out a <a href="#">traveller's health questionnaire</a> on board &amp; present it to the health staff on arrival (should be provided on the plane but it is advised to download (above) and fill in to avoid potential complications.</p> <p>- Visas available on entry for most countries (\$50 cash pp).</p>	<p><b>ON ARRIVAL</b></p> <ul style="list-style-type: none"> <li>- Health screening. Those with symptoms must take a PCR test. If positive, quarantine will be imposed. Currently, this is not charged for in Lusaka, but in Livingstone it is likely you will be charged. You are then required to self-quarantine until the results are provided.</li> <li>- Those arriving from a "High Risk" country (updated 13<sup>th</sup> Sept &amp; can be seen <a href="#">HERE</a>) must take another PCR test on arrival or within 48hrs of entry.</li> <li>- Travellers transiting through "High Risk" countries are not considered high risk if the transit time is &lt;24hrs.</li> <li>- A mandatory 14 day self-isolation for all arrivals from "High Risk" countries. Self-isolation can be carried out in hotels/camps/lodges, ending once a -ve result confirmed.</li> <li>- Passengers from non "High Risk" countries &amp; have the required test documents do not need to quarantine.</li> <li>- <b>Children under 5yrs</b> exempt these rules.</li> </ul> <p><b>ON DEPARTURE</b></p> <p>Travellers whose destination or airline requires a COVID -ve certificate must do so. Contact your DMC / accommodation.</p>	<p>Trusted Travel Platform: It is expected that all arrival and departure passengers will need to upload their PCR result against the <a href="#">TT platform</a> soon. We recommend those travelling to Zambia set this up before leaving home, to avoid potential issues on arrival / departure.</p> <p><a href="#">- 13<sup>th</sup> September – List of High Risk Countries</a></p> <p><a href="#">-COVID-19 Safety Protocols</a></p> <p><a href="#">- pre departure Ministry of Health Certification Form</a></p> <p><a href="#">- Zambia Points of Entry Guidance</a></p>
